

## Le Havre – Cantobre

Toll road options are in red and I cruise at 112 km/h,  
knock 1 hr off total toll road times driving a max speed of 130 km/h.  
Non-toll options are in green.  
Total time is about 9 hr and 48 € in tolls or about 10:30 hr toll free.  
Crossing the Millau Viaduct costs 10 € - it only saves you 10 mins.  
Add 1 hr - 1:30 hr for human and car refuelling.  
I do the journey in 9:30 hr or 11 hr but I stretch legs and eat quickly.  
CAPITALS are places to actually drive to, lower case for direction only.
